WINE GREETING CARDS

Introducing a patent pending kiosk system that provides detailed wine information in a fast, fun & affordable greeting card format.

THREE EASY STEPS

Simply use the Curiosk to:

SCAN

For free, scan barcode on bottle to view product information.

PERSONALIZE

Use the touch screen to choose a greeting and type your own message.

PRINT

Swipe your credit card and in a few seconds the kiosk prints your personal wine greeting card.

Fold card closed and fit over any bottle

INCREASING SALES

When customers have access to information, they have the confidence to buy and try a greater selection of wines.

CUSTOMER RELATIONS

Retailers are providing consumers with convenient and intimidation free product knowledge along with enhanced customer service.

MARKET POSITION

Curiosk is changing the way people shop for, share and enjoy wine by merging three unique industries:

- (1) Wine
- (2) Greeting Cards
- (3) Interactive Display Kiosks
